Your duty to take reasonable care

Note: In this section "we", "us" and "our" refers to NobleOak Life Limited.

When applying for insurance, you are agreeing that you will take reasonable care not to make a misrepresentation to us before we issue your contract of insurance.

The duty to take reasonable care also applies when extending, amending or making changes to existing insurance, and when reinstating insurance, up until your application, amendment or reinstatement is accepted and the cover is issued.

What is a misrepresentation?

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

If you do not meet your duty to take reasonable care

If you do not take reasonable care not to make a misrepresentation, this can have serious impacts on your insurance. Your plan and/or cover could be cancelled and/or avoided (treated as if it never existed), or its terms may be changed. This could involve your sum insured being reduced or your cover being varied in such a way as to put us in the position we would have been in had the duty been met. It may also result in a claim being declined or a benefit being reduced.

There may also be circumstances where we later investigate whether the information given to us was true, for example when a claim is made.

Guidance for answering our questions

You are responsible for the information provided to us. When answering our questions, please:

- › Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond.
- › Answer every question that we ask you.
- › Answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it.
- › Review your application carefully before it is submitted. If someone else helped prepare your application (for example, your financial adviser), please check every answer (and if necessary, make any corrections) before the application is submitted.
- › Do not assume that we will contact your doctor for any medical information. If you are unsure about whether you should include information or not, please include it.

Changes before your cover starts

Before your cover starts, we may ask any changes that mean you would have answered our questions differently.

As any changes might require further assessment or investigation, it could save time if you let us know about any changes when they happen.

The full duty to take reasonable care is set out in the PDS.
